# Napoleon Stone

- Natural sandstone quarry and fabrication business in the landscape stone and building stone industries for over 50 years. Own and operate sandstone quarries in Napoleon, Michigan.
- Producing high quality natural landscape stone, dimensional stone, building stone and bulk landscape material. All material is buff/tan in color with soothing earth tones.
- Serving our wholesale customer base in all Midwest markets through extensive dealer network of leading landscape supply yards, garden centers and retail outlets. Target markets include: Michigan, Ohio, Indiana, Illinois, Pennsylvania, Kentucky, Wisconsin, Iowa, Missouri, Canada, etc.
- Strong incentive programs in place for stocking dealer partners.
- Natural stone product lines include:
  - ***Dimensional Stone*** – our Split and/or Sawn product line includes 8” Drywall, Full and Thin Veneer, Split and Sawn Steps, Outcropping, Wall Caps, Treads, Hearth’s and other sawn/split stone options. Custom stone fabrication also provided.
  - ***Natural Stone*** – includes patio/walkway stone, natural steps, flagstone, retaining walls, outcropping, steppers, wallstone, sandstone boulders, decorative stone and general purpose bulk landscaping materials (driveway base / fill / drainfield stone)
- Complete customer satisfaction is our goal!
- Please visit our web site to learn more about us and see our customer Inspiration Gallery at [www.napoleonstone.com](http://www.napoleonstone.com)

# Napoleon Stone

- Our quarries and distribution hub are located in Napoleon, MI (starred on map below) with easy access to/from all major highways (I-94 / I-69 / IN & OH Toll Roads) that service most Midwest markets.
- We operate our own fleet of delivery trucks to guarantee prompt and efficient service to your yard or job site. Stone can also be picked up at our quarries or shipped by common carrier depending on your requirements.
