Napoleon Stone

- Natural sandstone quarry and stone fabrication business in the landscape stone and building stone industries for over 50 years. Own and operate 2 sandstone quarries in Napoleon, Michigan.
- Producing high quality natural landscape stone, dimensional stone, building stone and bulk landscape materials. All material is buff/tan in color with soothing earth tones.
- Serving our wholesale customer base in all Midwest markets through extensive dealer network of leading landscape supply yards, brick/block yards, garden centers and retail outlets. Target markets include: Michigan, Ohio, Indiana, Illinois, Pennsylvania, Kentucky, Wisconsin, Iowa, Missouri, Canada, etc.
- Strong incentive programs in place for stocking dealer partners.
- Natural stone product lines include:
 - **Building Stone** – includes full bed depth veneer and thin veneer building stone options.
 - **Dimensional Landscape Stone** – includes a split and/or sawn product featuring 8” Drywall, Split and Sawn Steps, Wall Caps, Treads, Hearth’s and other sawn/split stone options. Custom stone fabrication also provided.
 - **Natural Landscape Stone** – includes patio/walkway stone, natural steps, flagstone, retaining walls, outcropping, ledgestone, steppers, wallstone, stone fire pits, sandstone boulders, granite boulders, decorative stone and general purpose bulk landscaping materials (driveway base / fill / drainfield stone)
 - **Bulk Stone and Other Materials** – includes multiple sizes of rip rap, driveway base, fill material, sand, stackable boulders, topsoil and decorative stone targeting the general contractor/excavating markets
- Complete customer satisfaction is our goal!
- Please visit our web site to learn more about us and see our customer Inspiration Gallery at www.napoleonstone.com

Napoleon Stone

- Our quarries and distribution hub are located in Napoleon, MI (starred on map below) with easy access to/from all major highways (I-94 / I-69 / IN & OH Toll Roads) that service most Midwest markets.
- We operate our own fleet of delivery trucks to guarantee prompt and efficient service to your yard or job site. Stone can also be picked up at our quarries or shipped by common carrier depending on your requirements.
